April, 2008

Memo from the Manager: John Warren

March has been a great month for the club for bringing in new members from Chace Lake Country Club. We look forward to serving those members and taking care of their needs since Chace Lake has been sold. Please make every effort to make them feel extremely welcomed and help them adjust to their new "country club home"!

We also have sent out "amnesty" letters to over 150 old members from several years back and so far we have had several rejoin Altadena Valley. The amnesty lasts through May so if you know of any of our prior members let them know they can rejoin the club with no initiation fee.

Make sure you mark April 19th on your calendar! There will be a special event combining a tennis tournament, a golf tournament and that night a "Texas Hold'em Poker" tournament. Check the golf pro shop for information. This should be fun for all the members of Altadena Valley!

I would like to remind our members about our "Senior" membership category. To become a senior member and pay only 75% of the current dues a member must be 65 years old, have been a member for 10 years and bring in a new golfing member. This is a way for you to help build the club and save you money at the same time. If you have a name and a phone number of someone interested in a club, I will be happy to help "recruit" that member.

Congratulations to Justin Whisenant and Dawson Moody, sons of Dennis and Marilynne Whisenant and David and Missy Moody for making the Oak Mountain Middle School golf team! Don't forget Mother's Day on May 11th. The club will have two seatings, 11:00 to 12:30 and 1:00 to 2:30. Call Michelle at 967-5322 for reservations, this will fill up fast.

The club is planning to open the pool this year on Friday, May 23. On that day you may bring guests to the pool for no guest fee!

We are looking for life guards for the summer, if you know of any responsible students let us know.

Golf Shop News: Jeff Copeland, PGA Head Golf Professional

The Golf Shop is now stocked with a wide selection of 2008 clubs to demo and buy. Remember, I'll match the price you may find at the local discount golf stores. Also, the spring line of short sleeve shirts and shorts are in. I'll have shirts from Ashworth in the middle of May. All outerwear is now 50% off and there's always something on "The Sale Table", like right now there are shirts for only \$15. New items just in are insulated tumblers with Altadena, Alabama, & Auburn Logos; 16 oz 4-pack for just \$25.

JUNIOR CLINICS:

The junior clinics are continuing on each Tuesday of the month at 4 p.m. There will be four junior clinics in May at a prepay discount of \$30 to attend all or \$10 per clinic. Guests are also welcome to attend and the prepay discount for them is \$50 for all or \$15 per clinic. **Minimum age to attend is 8 years old.** I will do a new clinic plan each month thru August. If there is enough interest I will consider offering a 30-minute clinic for children under 8 years old. I need a minimum of three kids to conduct this clinic and the cost will be \$7 per child. Please call the Golf Shop to sign-up or for private lessons.

AVCC Member Profile:

MARVIN RANDALL

Marvin and Joyce have been a members at AVCC since 1980 and Marvin has always been a regular sight around the club house and golf course. Over the last 20 plus years Marvin has "worked" for the club doing a great number of things for the club. Each year we double Marvin's salary and he still saves the club thousands of dollars. Zero times two is still zero. In March Marvin retired from his "club job" but remains "on call" if we need him, and we will! A great big AVCC thanks to him for years of saving the club money and helping where ever and when ever he was needed.

Swim Team News

It's April! Time to start thinking about spring, Easter, and swimming! Yes, you did read correctly, I did say swimming! Your AVCC swim team board has been hard at work gearing up for the 2008 summer swim season, and we are ready to get rolling!

This year, we are pleased to announce the return of Natasha Rosko as our head coach. Natasha brings with her a wealth of experience, a fantastic enthusiasm, and a love of swimming and children. Natasha will be graduating this spring from Auburn, with a degree in elementary education. She has been currently student teaching at Vestavia East Elementary school, and is extremely excited about this summer at AVCC! Many of our older swimmers remember her coaching the team two years ago, and those even older swimmers know her from when she competed for our team!

Look for our early registration forms in this month's newsletter, and make plans to stop by the clubhouse to visit on Sunday April 27th from 2-4PM for our registration "event". This is always a fun time to catch up with our returning swim team families, meet with the board, and get answers for any questions our new families may have concerning our program.

We also will have the opportunity to meet the coaches and register again at the pool over the Memorial Day weekend. If you can not make either event, forms can be dropped off at the club or mailed to the address listed. We hope to see everyone back again this year, and look forward to meeting some new faces at our registration sessions!
