August 2008

Memo from the Manager: John Warren

Hello Members!

Bobby Horton's visit to Altadena Valley was outstanding!! Everyone who attended really enjoyed his music and what a great talent!! On August 15th, seafood night, the club will be having an art show with wine and cheese from 5:00 P.M. until 6:00 P.M.

Quite a year for Altadena Valley and it is only half-way through. The course is in great shape, rooms have been re-painted, the pool has been re-plastered, and now the parking lot has been re-paved! Please continue to support your club by bringing out guests and introducing prospective new members to your facility. We have a wonderful product to offer members of our community and at one of the most reasonable prices available. We change with the times and do everything we can to accommodate our membership's needs and desires.

The more members we can attract, the more we are able to keep individual members' cost reasonable. Do your part; remember it will earn you a \$200 credit should you be responsible for a golfing member joining the club.

Coming to AVCC on August 7th from 6:00 P.M. to 8:00 P.M. will be the Pampered Chef program. Now, I don't know what a Pampered Chef is, Antonio tells me he isn't one, but I understand almost everyone else knows about Pampered Chef. Please call the office or Michelle if you plan to attend.

Due to an oversight in the office we did not charge for the locker rental in January as we normally do. On your August billing you will see the locker charge for the year. I am also in the process of auditing the locker rentals. If you have a lock on a locker and it is not on our records as having been rented, we will be cutting the locks and removing the contents. If you have inadvertently taken a locker and not informed the office, please do so as soon as possible to avoid having us cut off the lock.

Beginning after schools start, the hours at the pool will change due to lifeguard availability. The new hours will be posted each week at the pool snack bar. You should call ahead if you have questions about the daily hours. We hope to keep the weekend hours as they are.
