## FEBRUARY, 2008

Volume 9, Issue 9

### From the Manager, John Warren

Exciting things are happening at the club for the month of February starting with our Valentine's Day dinner and dance on Thursday, February 14th.

Providing music will be Jeff Florreich, most recently from Las Vegas. Call Michelle at 967-5322 for reservations early, as this will be a "reservation only" event and we are taking a limited number of reservations for this special evening.

The Club is also looking for "local talent" for entertaining in the coming months. If you sing or play and would like to entertain your fellow club members, call Lindy in the office and sign up. More on this later. Also on the social scene is a Spring Fashion show. The fall show we had was enjoyed by all who attended and we hope the same will be true of the Spring show.

As a reminder I would like to let our members know about the AVCC Legacy program for Junior members. If you have a son or daughter between the ages of 23 and 26 they can join the club as a Junior member without an initiation fee or a letter of obligation.

The Board of Governors has decided to offer an "amnesty" to former members who have left the club for one reason or another. They can rejoin the club between now and the end of May and pay no initiation fee and not have to sign a letter of obligation. We will be sending letters out to those that we can but if you know of old members you may want to mention it to them. They have to have left the club in good standing.

The Board of Governors has also decided to allow the club's Social members one free round of golf per month, unused rounds cannot be carried forward to future months.

As a reminder, don't forget Easter will be March 23rd this year and our Sunday brunch will be reservations only.

I want to thank, Larry and Marguerite Rinehart, Jere Madonia, Betsy Cooper and Judy Butler for their hard work on repainting the Grill Room upstairs. It now sports a much Brighter look.

If you have not been receiving emails from me please forward your address to [jmwavccgolf@aol.com](mailto:jmwavccgolf@aol.com). I need as many email addresses as possible. Some of you have sent you email address and I may have them wrong, please resend if you haven't received emails from me.

One last bit of "housekeeping". If you have any furniture that is in very good condition, such as a settee and would like to donate it to the club, please call me. Thanks!!

## **FROM THE PRO:**

### **GOLF SHOP NEWS:**

Jeff Copeland, PGA Head Golf Professional

Please come by the Shop during the next couple of months to see the new line-up of 2008 clubs from Callaway, Cleveland, Cobra, Odyssey, Titleist and for the first time in my Shop, TaylorMade Golf and Ashworth apparel.

We are continuing to work on the tournament schedule for this year and I hope to have it ready by the end of this month. Also, congratulations to Martin Blake, who had a hole in one on December 19<sup>th</sup> on hole #17 using a 6-iron.

Remember that during this time of year it gets cold enough to leave us with some frost in the mornings. If this is the case, the course and practice greens are closed until our course superintendent gives me the okay to open. Walking on greens with frost will damage the grass, possibly killing it.

### **UPCOMING MEMBER EVENTS:**

Senior Monthly – **Wed. Feb. 13** – 9 a.m. shotgun start, weather permitting  
Men's Monthly – **Sat. Feb. 16** – 9:30 a.m. shotgun start, weather permitting, and type of format is yet to be determined.

Please call 967-5324 the day before any event planned to find out the time we will open the course for regular play.

### **Just for fun:**

Sam Snead once said, "These greens are so fast I have to hold my putter over the ball and hit it with the shadow."

"If you're caught on a golf course during a storm and you are afraid of lightning, hold up a 1-iron. Not even God can hit a 1-iron!" Lee Trevino
